Where the Window of Opportunities are Endless...

## THE WINDOW

We are pleased and proud to present to you our very first edition of our new online newsletter, *The Window*. Each month you will be able to see what important events we held to showcase our members and sponsors as well as what is coming up to plan your schedules accordingly. This is a special way of thanking our sponsors once again since we truly appreciate their support. We would love to see you at our future events!

Director of Education, Tim Brown and Irma the Alligator of Treasure Coast Wildlife Center with me at my first Chamber breakfast on Nov.

**Letter from Executive Director– Kelly Catania** As the new Executive Director at the *Indiantown Chamber of Commerce*, I am thrilled and honored to represent such a warm, beautiful, and quaint town where I have been welcomed with open arms. As our Board Member **David Powers** of *Indiantown Realty Corp.* gave me a tour, I was shocked at the vast amount of agriculture, land and manufacturing that exists in this area. The word “Potential” kept resonating within me as he showed me the sights. Coincidentally, the board was busy working on a new logo they had narrowed down to two choices. I told them I loved the arch logo designed by **The Firefly Group** since the design looked like a window to me, and thus the tagline was born, “Where the Window of Opportunities are Endless”. Each month you will get to “peer through the window” to see what goals we have achieved as well as what’s coming next at the chamber. I hope you enjoy our first edition and continue to read the others monthly. I look forward to meeting each and every one of our members as well as bring in many others that are eager to take advantage of the new networking, sponsorship, and advertising opportunities we have in store for you! My vision for 2020 is clear... to make this chamber and community as strong, safe and powerful as it can be while keeping its quaint Southern charm. I look forward to working with our amazing Board of Directors, business leaders and representatives to achieve the many goals we have ahead of us. I thank **Melissa Corbett, the Search Committee and Board** for giving me this amazing opportunity. I also want to thank my Mentor, Stuart/MC Chamber President **Joe Catrambone** for the knowledge he and his staff imparted on me while I worked there. That experience, coupled with my education from **Martin County LEADERShip**, and my years as Chamber President in North Carolina will be used daily to be the best I can be for this chamber.– *Kelly*
